Dedication

Mrs. Emily Gibbs

It is with great pleasure that we, the Class of 1982, proudly dedicate our Yearbook to Mrs. Emily Gibbs, head librarian at the Resource Center.

During our four years at Naugatuck High School, Mrs. Gibbs has always been there to lend a helping hand, whether we needed books for term papers, magazines for Advanced Biology, suggestions for Literature reports or help in running something off on the copy machine for next class. She is there for us too when we just need someone to talk to. She is always patient and understanding, a real inspiration and a truly great lady.

All any of us can really say is, "Thank you so much, Mrs. Gibbs, for everything."

Mr. John Howard Whittemore

In Memoriam

Lori Ann Sunbury

"Remembrance is the only Paradise out of which we can not be driven."

On November 16th, 1979, Lori Ann Sunbury was taken from this earth. Though she is gone now, Lori was and always will be in our hearts. Her friends and family, who miss her dearly, may find themselves asking, "Why?" The answer lies in our prayers, "Thy Kingdom come, Thy will be done."

September 5, 1978 ...

People say the four high school years are the best times of your life. As freshmen, frightened and unsure, we started to discover, as we had hoped, that this was true. We have found, much to our expectations, that yes, "these are the best of times."

Raymond E. Dowling

TO THE GRADUATES OF THE CLASS OF 1982:

The entire school staff joins me in congratulating each graduate upon successfully completing the required high school program.

Progress is impossible without change, therefore, you must continue to learn, exerting your best efforts in order to keep abreast of the current times in your chosen field. With this knowledge you will grow mentally, morally, and socially.

Best wishes for success in your future endeavors, and may your lives be touched with life's richest blessings as you prepare for the future.

Raymond E. Dowling Superintendent of Schools

Richard G. Leonard, Principal

To the Class of 1982:

I am most happy to extend my personal congratulations and the best wishes of the entire faculty to our latest group of successful seniors who have completed the requirements for a diploma of graduation. Four years have passed swittly and we share many fond memories of your many scholastic, athletic and social events. You have experienced the Freshman House, the Sophomore House and finally the Junior Senior House. We now look forward to your future success in college, in industry and in the world beyond high school.

We hope sincerely that your memories of us are as pleasant and satisfying as the memories we have of you. We say hail and farewell to a cher, shed group of outstanding young people who will contribute much to Naugatuck and the world around us.

Richard G. Leonard Principal

Charles E. Triano

The Sophomore House Faculty and Staff wish you continued success and happiness throughout your lives.

Raymond A. Legenza Assistant Principal Sophomore House

Our New World

Early morning rising with an awakening spirit,
Moving through the passageways of a Titan.

A Titan of knowledge, experience, and of our preceding generations.

An inner sense of serenity in a plethora of complex thoughts and intricacies.

Constant motion, propelled by a sea of tradition.

The sights of people I know, people I'll meet, and of people I'll never see again

A new generation from the scraps of ancient civilizations. A priest here, an engineer there. A new society to build. The new people, our new world, with a foundation from the past are not the hope of an old civilization WE ARE THE NEW WORLD

The 1981 Greyhounds completed a football season that most teams only dream of. A perfect 10-0 regular season which brought Naugy its first NVL title since 1973, combined with a 28-6 victory over Xavier of Middletown in the C.I.A.C. class L-2 Championship Game, brought the State Championship to Naugatuck. As the only 11-0 team in the state, the Hounds were voted the nearly unanimous choice for the No. 1 position. The team received more accolades when they were proclaimed the No. 1 team in New England. A stellar defense, allowing no points by the opponents' offense in the first seven games, coupled with hard-fought victories over Holy Cross and Ansonia, led them to the Class L-2 Championship game.

Named to the All-NVL team were Seniors Kevin Moreland, Darryl White, Rick Ruest, Jack Prior, and Scott Skidmore, along with Juniors Joe Pascale and Bob Oris. Moreland was named the MVP of the League. White, Moreland, and Oris were also named to the Class L All State team

Volleyball

2nd in State!

This year's Volleyball Team recorded 53 regular season victories and 94 consecutive Naugatuck Valley League wins. There are five seniors on the varsity team: Co-Captains Barbara Stauffer and Cathy Ander son, Diane Marcisz, Lori Mancini and Lisa Cuccuru. These Seniors were freshmen when the Garnettes won their last volleyball title in 1978, playing in the Class M tournament. Since 1975, when the Naugatuck team began its varsity program, they have notched an impressive 109 wins against just six losses.

The Garnettes went unbeaten this season with an 18-0 mark. They also eliminated Hamden, Staples and Maloney of Meriden from the CIAC Tournament. In the CIAC Class L State Championship the Garnettes came in second after dropping to Amity.

Congratulations Spikers on another winning season!
